## Extracurricular Activities

Music composition and music history with an emphasis on the origin and progression of American Blues. August, 2008. Completed first full length recording of original music and rhythm and blues covers. Recorded in Nashville, Tennessee.

Mountaineering. In the year 2000, celebrated fortieth birthday by climbing Mt. Shasta, California. Have become an avid climber since then. Personal best is Mt. Kilimanjaro (approx. 20,000 feet in elevation). January, 2008.

Preventative Medicine. Using myself as a template, I am studying how exercise, stress management and a low glycemic diet can influence physical stamina, productivity and quality of life.

## Presentations
